

## Youth Meeting Minutes

May 8, 2017

Baraga public school

11:10-11:35 am

In attendance - Carrie Rich, Chris Lynam, Sherrie Larson, Michele Serafin and 11 students.

### Dodgeball Tournament-

The posters were mostly done, Chris took them home, We were unsure if there would be a tournament, talked about having it in the Fall. When kids were asked why they didn't sign up one boy said he didn't have a full team, we encouraged him to sign up next time regardless so we could put him on the team. Carrie mentioned having someone in the school at lunchtime to inform kids of tournament, then again near deadline to collect money. This was well received.

Activities for the summer were discussed. There was some interest in meeting at Something Better Youth Center Thursday's at 6:00 throughout the summer. Chris will look into that. To check if we will be there or if they need a ride, Chris gave them a trick to remember her phone number. [906-524-4994](tel:906-524-4994).

Meeting at the OCC for open gym was also talked about without much enthusiasm.
