

Baraga County CTC Youth Work Group

3-13-17

Baraga school Library

11:10

Michele Sarafin, YOUTH - Opal, Zoe, Lindsay, Ryan, Katie, Taylor, Chris Lynam

Bowl For Kids Sake- Katie called Stan Spruce, explained Bowl for kids sake, he did not commit to anything. Ryan D. And maybe Jenna will bowl on Chris Lynums team. With other kids she is hoping for around 8.

Chris began to explain to Michele all the dodgeball details and she said we can't do that date, that's Prom! No commitments for volunteering, but Taylor and Opal where interested in making posters. Posters with rules and good sportsmanship blurbs. For trophies, they preferred big, tall, shiny new one instead of a weird homemade one. Michele said she would be able to collect names of those interested in the Dodgeball game.

Chris had her times mixed up, so she missed the meeting. When she did get there, she and Michele were able to get many things discussed and She was able to call in 4 of the students to get ideas and info from them.

Thank you Michele!

For April drug awareness month Chris will bring drug and alcohol materials to Baraga school April 4-13. She will then bring it to L'Anse school after Easter. They want the drunk goggles, Chris will check on that. They are also looking for a speaker for drug alcohol month, any ideas?

Chris mentioned Bob Lenz, I have given his information to Robin. He may be too expensive, we talked about touching base with Gordette with YAK Baraga County Youth Advisory, they may be interested in getting together on a speaker.

Lindsey Mayo is interested in helping put CTC on Instagram and Twitter, her info was sent to Pam Dove.

Next Meeting possibly Monday April 17

L'Anse school

11:55-12:25

Respectfully Submitted
